

# Smart Meter Forum

In response to concerns over the roll-out of FortisBC's wireless Smart Meter (SM) program, Alex Atamanenko MP will be co-hosting a public forum in the Slokan Valley with organizer/educator Daphne Fields to discuss:

- ◆ Government response to health and social concerns
- ◆ Options for those who do not want the microwave radiation emissions from this technology in their homes
- ◆ How to help those who cannot afford the extra charges for opting out of the SM program
- ◆ The economic advantage and possibilities of whole communities opting-out to create "Smart Meter Free Zones"

*With Special Guests:*

## Richard Caniell & Dr. Ross Andersen

*Will tell of his long and ongoing battle in Silverton against BC Hydro's Smart Meter program*

*Retired Ontario Naturopath  
Sees amazing changes in patients who clean-up electro-environment!*
