

A simple google search of the words "**daycare centres in qualicum beach**" immediately shows the *Little Gems Infant & Toddler Centre* with the map beside showing how close it is to the proposed tower location. All proponents should automatically do such a search.

The screenshot shows a Google search for "daycare centres in qualicum beach". The search results list several locations, with "Little Gems Infant & Toddler Centre" highlighted. A map on the right shows the location of this centre in Qualicum Beach, BC, near Village Way and Hollywood Rd. A tooltip for the Little Gems Infant & Toddler Centre shows a 5.0 star rating and 2 reviews. The map also shows other nearby locations like Arrowview Kids Club, Arrowview Elementary School, and The Cat Cottage at Qualicum Beach. The browser's address bar shows the search URL, and the taskbar at the bottom displays the Windows Start menu and system tray.
