Subject: TIME SENSITIVE Invitation to sign a Joint Statement to support Bill S-5 amendments to investigate RF-EMR (wireless radiation) in the environment

It is urgent to investigate RF-EMR because ambient levels are increasing with deployment of new technologies, and scientific evidence demonstrates harms at ambient exposures.

If your organization would like to sign on please send an email to me marg.c4st@gmail.com with the following information:

Organization:

How you would like the name displayed? In full, with or without the abbreviation or acronym?

Name of contact person:

(with position in the organization and any credentials, e.g., B.Sc.):

Province:

Do you consider your organization to be Canada-wide?

Email address:

Email address to show on the letter:

Your email address:

Telephone:

Provide logo, if available:

If your organization cannot make a decision now, we still would appreciate hearing from you.

I would be glad to provide further information and to answer any questions.

Sincerely,

Marg Friesen M.Sc.
